

**Eduard Klassen arrives in New Zealand Friday 25th June until 20th July 2010**

Eduard Klassen is a Paraguayan folk harpist, now living in Canada, who has presented over 3000 music concerts in 20 countries since making a personal commitment to Christ. A typical concert presentation by Eduard Klassen includes a variety of Christian harp music from South America, North America and Europe, interspersed with personal testimony and

stories of God's work in his life from boyhood in the wilderness of Paraguay to the present. Eduard's natural sense of humour helps him to develop an excellent rapport with audiences wherever he goes. There will be DVD and CD's for sale at each venue.
